CCP Boardwalk Addendum #1

- Please denote the change in access from site map below.

- Contractors will access the site from the west parking lot and be allowed to bring in light vehicles from this location to the job site. Careful attention must be taken to only create one pathway in and out of this firebreak zone to the new bike path and to the job site. No concrete trucks will be allowed beyond the parking area. Concrete for the connecting aprons on each side of the new boardwalk must be buggied in to reduce impact to the site. Contractor will be responsible for any damage and site restoration. Any damage to the existing bike path must be repaired to its current standard.
- On sheet LS101 under Landscape/Grading Notes please denote that Note #1. is incorrect. All native seed mix needed for disturbed areas is to be **provided by the contractor** and is not city provided. Use the following seed mix for restoration purposes.
- Application rates are 1 PLS (pure live seed) pounds per acre of "Kansas Wildflower Mix"; 18 PLS pounds per acre of "Premium Native Grass Mix. Local source contact person, Danny Linnebur, Valley Feed and Seed at 942-2278 for more information.
